

Brander Gardens School - Interactions 2025-2026

In our classroom, we will use **COMMUNITY SUPPLIES**. This system helps foster a sense that our classroom and everything in it belongs to everyone; it helps children learn how to share and cooperate. As a result, you will not need to label all your child's supplies - please label only what is specified.

Please note, an additional fee will be posted to Schoolzone in September to cover the cost of a pouch.

All students should bring a backpack (standard size), indoor shoes (slip-in/velcro/crocs) and a labeled water bottle.
